Presidents Report 2020

What an eventful year 2019-2020 has been thus far.

Covid 19 pandemic has had a dramatic effect on the whole world. The pandemic has a trajectory difficult to predict, and our lives have been radically affected.

We didn't meet for four months, consequently we didn't see each other all that time. I can go back to 1948 when I couldn't go to school because of the Polio epidemic.

Now we have been full steam ahead.

We were meant to be meeting at the Wanaka Community House today for the first time. However, it wasn't meant to be. Thanks ladies for providing afternoon tea - raising money for alzheimers. Thank you to the ladies for providing our programme and afternoon tea today. We are glad to support Alzheimer's yearly project.

Our thanks to Helen Millar (activities coordinator) and to Claire Dooney (Financial Administrator).

Our financial supporters;

- The Lotteries Commission
- Central Lakes Trust
- Olive and Graham West Trust
- COGs Otago

Thank you to our volunteers; for the provision of our sumptuous afternoon teas

- Diana
- Jackie
- Jonathan

To our committee;

- Maureen Burney, Doreen Tyree, Mavis Burrow, Mary Skurr, Helen Gillan

As we move from this AGM to another anticipated successful year, to enjoy our lives and life of this club and its fellowship.

Winton Davies

President
