

Upper Clutha Senior Citizens Incorp.
“Prime Timers”
Presidents Report August 2022

We, as a club, have not met for seven months!

No meeting was a Committee decision. Catching Covid-19 has been difficult for some. Our thoughts have been with you.

Your Committee decided a few months ago to not meet until August. So here we are in August at our Annual meeting. This meeting is compulsory according to our constitution. Without this meeting there would be no grants or financial support.

Two members of our committee have resigned. Maureen Burney who has been a dedicated committee member for many years and John Rich a more recent member. We thank them both for their service.

We can only look forward with hope and confidence. I wish all our members good health and a peaceful life.

Winton Davies

President

August 2022
